## Katie Beckett Recipient Eligibility Information Added to Electronic Verification System (EVS) and the Automated Response System (ARS)

Effective January 6, 2020, the Electronic Verification System (EVS) and the Automated Response System (ARS) (800-942-6511) have been updated to provide Katie Beckett recipient eligibility information. Under the Katie Beckett Eligibility Option Medicaid eligibility category, a State is allowed to waive the deeming of parental income and resources for a disabled child under 19 years of age who would be eligible for Medicaid if he or she were in a medical institution and who is receiving, while living at home, medical care that would normally be provided in a medical institution.

Effective January 6, 2020, if a recipient is covered under the Katie Beckett plan, EVS will indicate "Medicaid Fee For Service (KBECKETT)" under the Coverage name as shown in the following example:

Eligibility Verification Information for JOHN DOE from 12/03/2019 to 12/31/2019				
Recipient ID 00000000000		Birth Date 06/24/2006		
Coverage	Effective Date	End Date	Primary Care Provider	Date of Decision
<a href="#">Medicaid Fee For Service (KBECKETT)</a>	12/03/2019	12/31/2019	0000000000	06/16/2016

When providers submit EDI 270 eligibility, the EDI 271 eligibility response will now contain KBECKETT information in the plan coverage description field. Here is an example of how it will be displayed in the 2110C EB05 Loop ID/Reference field:
